

MARK YOUR CALENDARS!

February is Heart Month

Fred Douglass Elementary P.E. Dept. along with Jacksonville ISD School Nurses will be hosting a Jump Rope for Heart event.

Date: Tuesday, February 10, 2015

Time: 4:30-6:30

Place: Jacksonville Middle School Gym

The program is for all PK-4th grade students from each of the campuses. **NO DROP OFFS!!** You must be present to get a prize.

Those that are present will be eligible for a drawing for a bicycle, donated by Wal-Mart!

We would also like for families to bring a canned food item for the Hope food pantry. This would benefit this wonderful agency that helps so many in need in our community.
